You are invited to our complimentary workshop on

Maximize Your Social Security Income

Secrets For Married Couples To Boost Their Benefits

Learn how to get the most out of Social Security, even if you're already collecting.

The right Social Security planning strategy could be worth up to \$100,000 in lifetime benefits. For married couples, finding the right strategy means sifting through 567 different filing combinations. **Take the guesswork out of one of the most important decisions affecting your financial future!**

In this one hour class, you'll learn:

- How to pinpoint the best time for YOU to start collecting your benefits.
- It can pay to delay – but is a higher benefit at a later age worth the wait?
- How can you apply for a Delayed Retirement Credit?
- Ways to navigate through the twists and turns for widows, widowers and divorcees.
- How certain types of earnings and pensions can affect your benefits.
- Inflation protection to help you keep up with rising living expenses during retirement.
- Start, stop, start – how one maneuver supercharges the survivor benefit.
- Learn how to take a spousal benefit worth up to 50% of the other spouse's benefit.

PLUS, RECEIVE A FREE, PERSONALIZED SOCIAL SECURITY MAXIMIZATION REPORT

There are ways to increase your benefits by thousands of dollars. If you are between the ages of 58 and 70, you should not miss out on this opportunity!
